

Apartment Finisterra One

3

4

260 Sq M

Penthouse nº1 in the Finisterra development overlooking the sea in western Albufeira offers a top floor pool with a view. With 260 sq.m. of decorated interiors and equipped with the latest in automation technologies, allowing you to control the house from a distance, the property also boasts 400 sq.m. in terraces. The interiors are comprised of the open plan living/dining room & kitchen, utility room, two bedroom suites and the master suite with a walk through wardrobe. There is an outdoor kitchen/bar area with lounge that has folding glass doors to open if desired. The spacious terrace has a generous area for sunbathing, outdoor dining, lounging or even exercise equipment. The raised pool and jacuzzi are the icing on the...
