

# Apartment Romy

Just 500 meters from the beach, the Oceano apartments take inspiration for their design from boats and sea. The materials used include sandstone, wood, stainless steel and glass. The interior decoration consists predominately high quality Italian and Spanish designer's items. This two bedroom duplex apartment comprise the living room with a fireplace leading to south facing terrace, dining area and fully fitted & equipped kitchen, guest en-suite bedroom and the master suite with private south facing terrace. The top floor will take you to a split terrace with sunbathing area, seating space, BBQ, jacuzzi and views over the nature reserve and sea.
