

Plot Seabreeze

970 Sq M

The following is a description of the plot with approved project ready to start construction. This outstanding five bedroom villa project was created by the renowned architect Vasco Vieira and is located close to the beach in Vale do Lobo, boasting incredible views of the Nature Reserve and Atlantic Ocean. The villa is designed with an upside down layout and plenty of natural light throughout thanks to a large central courtyard. The bedroom level is comprised of two bedroom suites with walk in wardrobes & terraces, two bedroom suites, and car port. The living level comprises the living room overlooking the pool, dining area and kitchen that has a connecting kitchen counter to the exterior for outdoor dining and living....
