

Quinta da Calda

This 7 bedroom property partially from the 12th century is the perfect combination of a modern open space keeping the authentic traditional architecture intact. Arab influences meet Portuguese country and contemporary modern living. A unique combination of being in the center of an ancient city, with all the practical benefits it brings, combined with the feeling of calmness and quietness of living in the country. This is the ideal place to spend your precious moments in life. The authentic architecture of the houses gives coolness in the summer and warmth in the winter. All the extra comfort needed nowadays is provided, including an eco solar energy system that feeds the central heating. The property is currently a private residence with...
