

Quinta Dourada Development

Set in the hills above Albufeira in the heart of the Algarve, Quinta Dourada is a unique development designed by Vasco Vieira where the concept of luxury living reigns. Exceptional design, the finest facilities and exclusive amenities come together to create a stylish piece of paradise in the south of Portugal. Phase one starts off with 1+1 bedroom apartments and villas. The development features 32 apartments in split-level design, with 16 ground-floor apartments and 16 penthouses with rooftop terraces, private underground parking with direct lift access and storage. Both with 1 bedroom, 1 studio, 1 bathroom and 1 WC with shower. The ground-floor apartments offer private pools and sustainable gardens, while the penthouses boast stylish roof terraces with pool and...
