4

430 Sq M

956 Sq M

This outstanding four bedroom contemporary villa designed by Vasco Vieira is set on an elevated position with fabulous views of the sea and nature reserve in the valley below. The entrance level comprises a beautiful open plan living room, dining room and kitchen, all with spectacular views over the pool deck to the sea & sunset. Outside there is a spacious patio catering for sunbathers and shaded areas for outdoor dining in the hotter hours. The bedrooms and bathrooms are on the lower level. Bedroom one is a twin with an en-suite shower room, bedroom two is a double with en-suite shower room - this shower room can be used also as a cloakroom as it has two entrances -...
