The 5 bedroom villa was recently refurbished and extended and now offers superb accommodation with finishes of the highest quality and standards. All the bedrooms are spacious and have en-suite bathrooms. The kitchen was re-positioned and extended and a family room added, both of which now access the barbeque and dining terrace. The entrance hall with its double staircase leads on into the spacious, well decorated living room which features a double sided fireplace into both the living and dining room. The kitchen also has a breakfast area and a TV room nearby. Both open out onto a barbeque terrace which has lots of room for outdoor meals. The double garage is assisted by a laundry/utility room and there is...
