

Villa Ten Ninety Five

5

7

2,179 Sq M

This iconic epitome of resort lifestyle located in one of Europe's most coveted postcodes. Meticulously appointed with Italian designer furniture & decoration, this contemporary villa can't help but impress. Spacious & elevated sun decks at pool & roof levels provide excellent spaces to entertain both family & guests. The extensive large lawn area in front of the 4 ground floor bedrooms, basement spa & also accessible from the pool deck with the stunning floating infinity pool with cascading water feature as a centrepiece of the property. An architectural masterpiece by renowned architect Vasco Vieira, who has left his designer's mark throughout several continents, created one of the Algarve's most quintessential contemporary property showcases on the European market. With unique &...
